Inspection & Damage Reporting

Every technician conducts a thorough walkthrough at each turnover. Issues are documented with timestamped photos and flagged to the host within the turnover window.

E1 · DAMAGE INSPECTION CHECKLIST

At every turnover, technicians perform a systematic walkthrough and flag any of the following via photo report in the dashboard.

- ☒ Broken or damaged furniture
- ☒ Stained or damaged linens / towels
- ☒ Broken dishes, glassware, or cookware
- ☒ Damaged appliances (note make / model in report)
- ☒ Wall damage — scuffs, holes, marks
- ☒ Floor damage — scratches, stains, broken tile
- ☒ Broken fixtures — light switches, faucets, curtain rods
- ☒ Missing items from inventory
- ☒ Evidence of unauthorized pet(s)
- ☒ Evidence of smoking
- ☒ Excessive trash or cleaning beyond standard scope
- ☒ Maintenance issues — leaks, HVAC, plumbing, pest evidence
- ☒ Exterior damage (if applicable)

ADDITIONAL NOTES, QUIRKS, OR PROPERTY-SPECIFIC DETAILS

Use this space to document any quirks, recurring issues, preferences, or details about your property not covered elsewhere in this SOP. This is your free-form communication directly to every technician who will ever service your property.

SECTION H

Photo Documentation Requirements

Timestamped photo documentation is a mandatory, non-negotiable component of every Proper Home Prep service. Photos are permanently linked to the job record.

Non-Negotiable Standard: Photo documentation protects the host, the technician, and the Proper Home Prep standard. Every job is fully documented. No exceptions. Jobs without complete photo documentation are flagged and reviewed before the job is marked closed.

CHECKPOINT	REQUIRED PHOTOS	UPLOADED BY
Job Start (Before)	Front of property, each bedroom, each bathroom, kitchen, living room — before any work begins	Technician — upon arrival
Mid-Job Milestone	Beds made and staged, towels set per host preference, kitchen reset and restocked	Technician — as each milestone is completed
Damage or Flag	Any damaged or missing items, maintenance issues, rule violations — close-up and wide-angle required	Technician — immediately upon discovery
Job Complete (After)	Front of property, each bedroom (final staged), each bathroom (final), kitchen (final), living room (final), outdoor space	Technician — before clocking out

HOST PHOTO PREFERENCES / ADDITIONAL PHOTO REQUESTS

e.g. Always photograph the welcome basket from above. Include a photo of the front door mat. Capture the view from the master bedroom window.

SECTION I
